Miss Fisher Fair

Lacey Cotter

I am thrilled to welcome everyone to the 82nd annual Fisher Community Fair. This fair represents a beautiful tradition that I hold close to my heart. People from near and far come together to celebrate our amazing small-town fair.

Having the opportunity to represent my hometown and a fair where I grew up will always be a cherished memory of mine. The experiences I have been a part of over the last year are ones that will always be dear to me. Whether I was representing Fisher Community Fair as visiting royalty, spreading the importance of agriculture across surrounding communities, waving in parades, taking pictures with little royalty, or competing in the Miss Illinois County Fair Queen Pageant, I always felt honored to represent my hometown of Fisher. I have met so many great queens that have become close friends, gained confidence in myself, and saw just how much people love our fair.

This opportunity has made me so grateful for being your queen and I wouldn't be here without the help of many special people. First of all, I would like to thank our amazing fair board for supporting me throughout my reign and putting in so many hours all year long to make our fair a success. Your dedication and hard work definitely do not go unnoticed. To my director, Erynn, thank you for being there for anything I need, whether it was the late-night texts about outfit choices, answering any of my bizarre questions, or the countless practices leading up to the state pageant. You have been a great friend and an even better role model. To my amazing Jr. Miss Lucy and Little Miss Josie, over the last year, you have become the best little sisters I could ever ask for. We have made so many memories over the last year. From belly laughing after one of Josie's jokes, to taking silly selfies before every event, and making "our" tiktok dance every chance we got. You girls are so beautiful and I can't wait to see all of the great things you accomplish in the future. Finally, I want to thank my friends, family, and this wonderful community for their continued support through this journey. Without you, we would not have this beautiful fair that I often call my home away from home.

Growing up at this fair, I'd always dreamed of representing the Fisher Fair on a whole new level. Thank you to every individual and business that donates their time, money and resources. Also, thank you to all of our exhibitors and visitors. Without you all, we would not have a local representation of hard work, love, dedication, and talent. The Fisher Fair and the family that it represents will always have a special place in my heart.

With all of the love and gratitude I can give,
Lacey Cotter 2022 Miss Fisher Fair

2023 FISHER FAIR DEDICATION

HARRIS DRENNAN

Fisher Fair lost a great supporter, volunteer, and friend in 2022. Mr. Fix-it, Dad, Grandpa, Great Grandpa, and Uncle Harris Drennan was a community member who believed in the spirit of our community fair. Born in 1941, Harris had been to and helped as he could at every single fair for 80+ years. In the early years of the fair, it was a community outlet for people to gather and show off their new babies. Harris was shown off at the early fairs.

Harris in his younger days showed Australian white rabbits and hogs at the fair. Sometimes Harris would have up to 125+ white rabbits on the farm; many of these rabbits were sold for meat before winter arrived. Skipping forward many years, when Greg McCoy, his son-in-law, was demo derby superintendent, Harris was his dependable sidekick when derby work was needed before and during fair week. Harris' derby work during those years included using his 1951 Farmall M tractor to pull cars off the track during the derby. After many years as part of the pull-off crew they had this task "down to a science" with capable equipment and dependable crew. He also took his Farmall Super H tractor to the "car show" that was part of the Saturday events.

Another chore he loved to do for the fair was to mow the fairgrounds from spring to fall. He would drive his tractor to town after lunch and mow till the grandkids were let out of school for the day. He would be home in time to get them off the school bus. Also, Harris made it his "chore" to eat every meal at the fair during fair week. In his mind this is how he could support the community vendors who made fair food what it is today. His favorite was always the great breakfasts that were served on the fairgrounds.

Lastly, as the fair week ended Harris was always ready to help with cleanup day. This was usually the Monday after the fair was over and the vendors and amusement company was gone from the premises. This salt of the earth farmer and community supporter cherished every year at the fair. In our small town this was a fair that was started as a fair gathering of tents on community property and grew to what we know it as of today with the help of numerous volunteers and supporters.

Thank you Harris and family for a lifetime of memories to the community we love!

2023 FISHER FAIR DEDICATION

LEON AND MARILYN

FAIRFIELD

The 2023 Fisher Fair is dedicated to Leon and Marilyn Fairfield. Leon and Marilyn were associated with the Fisher Fair for many years. They would attend all day and often also seen in the evening hours greeting long time friends and having fun with the grandkids, having the time of their lives at the fair. In the most recent years, they both were active on the fairgrounds in the horse area and with Marilyn helping in the office and making the fair run smoothly.

Marilyn served as 1st Assistant Secretary in 1968 thru the 1974 fair helping the infamous Grace Shields in the office. She was also Assistant Secretary with Mrs. N.N. Kesler in 1979 and 1980. Her valuable help in the office made getting your premium checks as a young kid so worth all of the hard work! She always congratulated livestock exhibitors and thanked them for coming to the fair!

Leon and Marilyn are no longer with us but the memories linger with the beautiful family that is still in the area. Their family is an awesome part of the community that they'd grown to know and love.

Thank you Leon and Marilyn for your years of service to our Fisher community and to the Fisher Fair. Your legacy will live on!
